Happy Fall Y'all!

It is finally feeling like fall, and we are loving it! We have been enjoying as much time outside as we can! The activities staff has taken us on picnics, walks outside, and if you have visited recently, we bet you have seen quite a few of us sitting on our "Twin Oaks Boardwalk" just enjoying this cool fall weather!

We have been having lots of fun crafting our beautiful pumpkins for people to enjoy, and to raise money for our resident council! If you missed the chance to participate, but would like to donate to our fund, please stop by and buy some apple butter! It is homemade with love by our Independent and Assisted Residents!

As you can see we are having a great time right now!

This year for Halloween we are celebrating all week long with silly dress up days, and ending the week with our annual Halloween party! Just a reminder that we are not hosting trick or treaters this year, but if you want to visit please utilize our outdoor spaces or limit visitors to two people. As always, be sure to wash your hands and wear your mask!
