Happy Fall Y'all!

It is finally feeling like Fall, and we are loving it! The residents and staff got into the Fall spirit by creating beautiful and fun pumpkins and everyone was given the opportunity to buy chances to win them! All the money raised went to our Resident Activity Fund! If you missed the chance to participate, but would like to donate to our fund, please stop by the front desk and buy some apple butter! It is homemade with love by our Independent and Assisted residents!

We are looking forward to our Halloween party on Friday, October 29th. We will be sure to share the pictures of the fun and costumes in the next newsletter! Just a reminder that we are not hosting trick-or-treaters this year, but if you want to visit, please utilize our outdoor spaces or limit visitors to two people. As always, we ask our visitors to please wear their mask and to not visit if they are not feeling well.

We will be honoring our Veterans with a ceremony on November 11th at 1 pm in the Assisted Dining Room with a special performance by the St. Dominic Band and Choir.

We will also be celebrating Thanksgiving this month. November is traditionally the time we give thanks for the many blessings in our lives. We are incredibly grateful to our residents, staff, and families for their continued love and support.

You are a blessing to us everyday!

Happy Thanksgiving!

November 2021

Dementia vs. Depression

AW Health Care Can Help!

What Is The Difference? Dementia is marked by a slow mental decline with confusion and inability to recognize familiar people and locations. Writing, speaking and motor skills are impaired. People with dementia often do not think they have a memory problem. Depression is marked by a quicker mental decline, but memory of time, date and awareness of the environment remains. Motor skills are slow, but normal. People with depression are concerned about their concentration and memory.

Ask Yourself.

Have I had trouble remembering to take my medicines? Have I missed doctor appointments? Have I been feeling sad? Am I eating and sleeping well? Call AW Health Care for answers to your mental health questions: (314) 330-7992.

Please join us for our AW Wellness Series on Thursday, November 18th at 12:30 pm in the Theatre for more information & refreshments!
